BAGS

TRACO SUPER SHRINK

Choose the exact bag for your products and budget from clear, tinted and seasonal prints in stock or design your own! Conservative printing minimums so anyone can give it a try.

Absolutely the clearest & toughest FDA direct contact food-grade bags in the USA.

- PVC & Polyolefin meet FDA direct food contact requirements
- Shaped for any unique or difficult-to-fit items
- PVC bags made from tubing—no weak side seams
- Polyolefin bags made from centerfold film

Choose from many shapes & sizes or design one just for your product.

Printed roll stock in both centerfold and tube.
